What are we doing and why?

As part of the TTC's commitment to safety and modernization, upgrades to the TTC's systems and equipment are a necessity. The elevators (platform to concourse) at Rosedale Station will be closed for state of good repair work. **The elevators will be out of service between 6:00 am and 2:00 pm until Friday and again next week starting Monday, August 31 until the repairs are complete.** Elevators are scheduled to reopen daily at **2:00 pm on weekdays.**

Customers may access nearby accessible stations through any of the following options:

Crescent Road Entrance to Line 1 Southbound Platform:

Board **97C Yonge** (Southbound) to Bloor-Yonge Station. Proceed to South concourse at One Bloor Street East (95 metres). Take the elevators to access **Line 1 Vaughan via Union** (Southbound).

Line 1 Southbound Platform to Crescent Road Entrance:

Board a **Line 1 Vaughan via Union** (Southbound) train to Bloor-Yonge Station. Take elevators to street. Proceed to northeast corner of Yonge Street and Bloor Street East (112 metres) and board **97C Yonge** (Northbound) to Rosedale Station.

Noise, vibration and dust

Noise, dust and vibration associated with construction can be expected with this work. Efforts will be made to keep levels to a minimum.

Easier Access construction at Rosedale Station is scheduled for completion in Fall 2026.

Thank you for your patience as we continue to make Toronto Transit accessible.
