King St. W. Construction: Service Changes and Temporary Transit Priority Measures on Queen St. W. to Keep Transit and Traffic Moving

What's happening?

As early as **November 23, 2026**, the City of Toronto and TTC will resume infrastructure renewal work on King Street West between Dufferin Street and Close Avenue. This work includes City watermain replacement followed by joint City-TTC streetcar track renewal. Similar work is planned at other locations on King Street West through 2027. Visit the City's project webpage **toronto.ca/KingWestConstruction** for timelines and updates.

504/304 King streetcars will divert via Queen Street West once construction is underway on King Street West. Refer to the **TTC Service Changes** section below for more details.

To support increased streetcar activity on Queen Street West during the **504/304 King streetcar diversion**, temporary transit priority measures, including extended "No Stopping" prohibitions and turn restrictions, will be implemented mid-to-late November. See the reverse for details.

TTC service changes

Preparing for construction

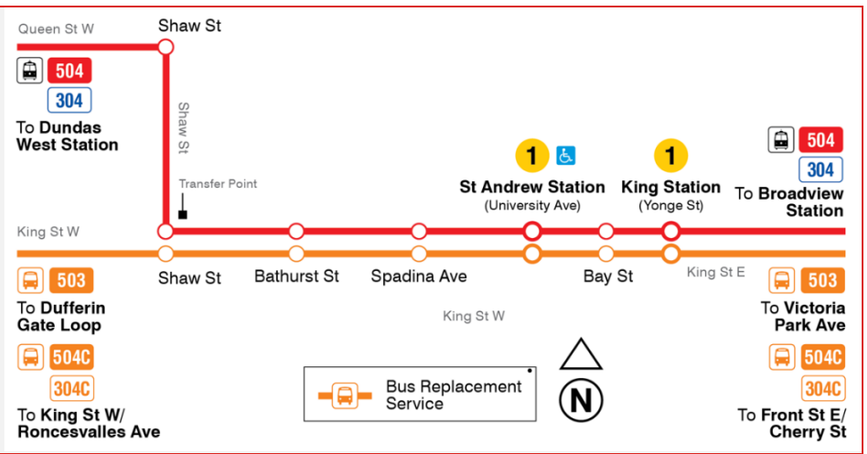

Effective **November 1, 2026**, the following route changes were introduced:

- **504/304 King streetcars** are operating as a single branch between Broadview Station and Dundas West Station.
- **504C/304C King replacement buses** are operating between Roncesvalles Avenue and Distillery (Front Street East and Cherry Street).
- **503 Kingston Rd replacement buses** were extended west to Dufferin Gate Loop.
- **508 Lake Shore streetcars are suspended**.

When construction begins, Dufferin Street to Close Avenue

As early as **November 23, 2026:**

- **504/304 King streetcars** will divert via Queen Street West between **Shaw Street** and Roncesvalles Avenue.
- All other service changes introduced on **November 1** will remain in place.

When construction begins, Spadina Avenue to Portland Street

As early as **December 2026**, to accommodate City watermain replacement work between Spadina Avenue and Portland Street, the following service change will be introduced:

- **504/304 King streetcars** will divert via Queen Street West between Spadina Avenue and Roncesvalles Avenue.
- All other service changes introduced on **November 1** will remain in place.
- View a map detailing these service changes on TTC's project page: ttc.ca/KingStreetTrackRenewal

Continuing your trip during construction

Customers travelling beyond the streetcar diversion area can transfer between **504/304 King streetcars** and the **504C/304C King** or extended **503 Kingston Rd replacement buses** at Shaw Street and, later, at Spadina Avenue when travelling westbound. Eastbound customers can transfer between services at Roncesvalles Avenue and Queen Street West.

Routes/Schedules/Fares: 416-393-4636 (automated - 24 hours daily)
Customer Service: 416-393-3030 (daily 7 a.m. to 10 p.m.)
Telecommunications Relay Service: 1-800-855-0511

Transit Notice

Wheel-Trans service will continue to operate throughout construction

Please note: The service changes in this notice are accurate as of the date of printing. Visit the TTC's project webpage listed below for ongoing updates.

Future service changes

Additional TTC service changes are expected as construction progresses in 2027. Details will be posted on the project webpage, and the TTC will mail a notice to affected communities.

Transit priority measures on Queen Street West*

With more streetcars operating on Queen Street West during the **504/304 King streetcar** diversion period, the City of Toronto will introduce **temporary** extended "No Stopping" prohibitions and turn restrictions between Roncesvalles Avenue and Spadina Avenue to help reduce congestion and keep transit and traffic moving. The transit priority measures are as follows:

New turn restrictions

Direction	Location (intersection)	NEW Days and hours
Eastbound left turns	Sorauren Ave., Dufferin St., and Dovercourt Rd.	**Monday to Saturday**, 7 a.m. to 7 p.m.
Westbound left turns	Dovercourt Rd. and Strachan Ave.	**Monday to Saturday**, 7 a.m. to 7 p.m.
Westbound left turns	Augusta Ave.	**Monday to Friday**, 2 p.m. to 7 p.m.

New extended "No Stopping" prohibitions

Side of the street	Section of Queen St. W.	NEW "No Stopping" hours
North	Roncesvalles Ave. to Dufferin St., and Dufferin St. to Shaw St.	**Monday to Friday**, 7 a.m. to 11 a.m. and 2 p.m. to 7 p.m.
North	Shaw St. to Spadina Ave.	**Monday to Friday**, 7 a.m. to 11 a.m. and 2 p.m. to 7 p.m.
South	Roncesvalles Ave.to Spadina Ave.	**Monday to Friday**, 7 a.m. to 11 a.m. and 2 p.m. to 7 p.m.

*These measures will be removed once construction on King Street West is complete, and **504/304 King streetcar** service resumes.*

Signage installation: As early as **November 18, 2026**, City crews will begin installing signage associated with the temporary transit priority measures on Queen Street West between Roncesvalles Avenue and Spadina Avenue. Installation will take place over several days. Visit the TTC project webpage listed below for updates.
