

Museum Station Easier Access and Second Entrance/Exit

Construction Update

May 2023

New Elevator at Museum Station

2 | *Rendering of the new elevator entrance on Queen's Park, looking west towards the Royal Ontario Museum.*

New Second Entrance/Exit for Museum Station

3 | *Rendering of the Museum Station Second Exit/Entrance, looking north towards the War Memorial.*

Museum Station – Second Entrance/Exit

Progress

- The tunnel roof has been cut open to build out the Second Exit/Entrance.

Next steps

- Construction of the staircase at the Second Exit/Entrance is ongoing.

Cutting the tunnel roof at south end of Museum Station for the Second Exit/Entrance in Queen's Park Circle, looking west.

Museum Station – Easier Access Project

Progress

- Underground utility relocation work, caisson drilling, and shoring have been completed on Queen’s Park as part of the Easier Access Project.

Next steps

- Excavating the elevator shafts is ongoing on Queen’s Park.

Excavating the elevator shaft on west side of Queen’s Park, looking north.

| Questions or comments?

Connect with the community liaison for this project for any questions or comments, or to be added to the project mailing list:

Gurjeet Kaur, Senior Community Liaison Officer, 437 551 4407,
gurjeet.kaur@ttc.ca

The station is scheduled to be accessible by Q4 2024*.
