

TTC Old Mill Station

Easier Access Improvements

Pre-construction community open house
November 21, 2024

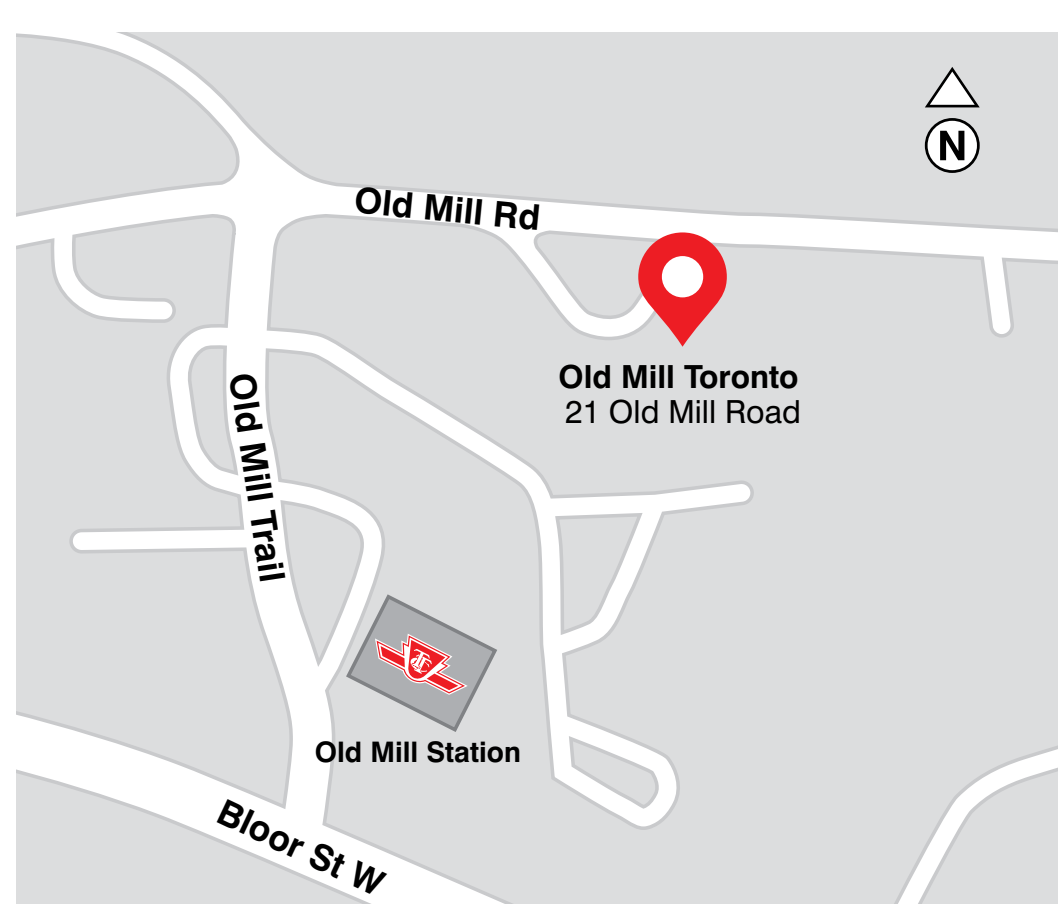

Project Overview

Two new elevators will be built at Old Mill Station as part of the TTC's Easier Access Program. Construction is expected to start as early as Q1/Q2 2025*.

**Subject to change due to unforeseen conditions.*

This work will include:

- Installing two elevators to provide a barrier-free pathway from the street level to the eastbound and westbound platforms
- Improving signage throughout the station
- Repairing finishes and wayfinding tiles throughout the station
- Installing CCTV security cameras along the accessible pathway
