

St. Clair Station Projects State of Good Repair Update

Timeline: ongoing until Winter 2024*

*Content/timeline accurate at the time of printing.

What we are doing and why:

TTC is conducting State of Good Repair Work along St. Clair Avenue. Current work at St Clair Station includes ongoing relocation of utilities utility. In 2024 the streetcar off-loading platform will be upgraded.

St Clair Station Utility Works (ongoing until Winter 2024*):

- All construction will be contained within the station area.
- Generators are in place to support the work at the station. These are located outside of the bus bay entrance at St Clair Station and will be enclosed. The generators are in place to provide a continuous supply of power to the equipment, including lights for the site.
- As early as December 11, 2023 the staff washrooms at St Clair Station will be closed due to the utility work.
- Portable washrooms will be placed on the St Clair Station property for the time of the utility work.
- Units similar to those in the picture below will be located on TTC property within the bus loop, and these will be in an enclosed area.

What to expect during:

- Construction crews and construction vehicles will be present in the area.
- Work is conducted in stages; protective hoarding will be in place, and street parking/roadways will be reduced in construction areas.

Noise, vibration, and work hours:

- Noise, dust, and vibration associated with construction can be expected with this work. Efforts will be made to keep levels to a minimum.
- Majority of the work will take place between 7 a.m. and 7 p.m., Monday to Friday. As permitted, some weekend and overnight work may be required during the course advance notice will be provided to local stakeholders.

Routes/Schedules/Fares: 416-393-4636 (automated - 24 hours daily)

Customer Service: 416-393-3030 (daily 7 a.m. to 10 p.m.)

TTY Line: 1-800-855-0511 (daily 8 a.m. to 6 p.m.)
