DISCUSSION

On March 23, 2009 Mayor Miller announced his recommendations dealing with non-union City salaries and its related compensation program. Subsequently the TTC Chief General Manager was requested by the TTC Chair and City Manager to review the City recommendations and consider applying the same salary and compensation principles to TTC non-union staff. In respect of that, the scheduled 2009 April 1st economic cost of living increases were put on hold for non-union staff.
