

TORONTO TRANSIT COMMISSION REPORT NO.

MEETING DATE: February 17, 2010

SUBJECT: LRV PUBLIC CONSULTATION PROCESS

INFORMATION ITEM

RECOMMENDATION

It is recommended that the Commission receive a presentation for information.

BACKGROUND

As the low floor light rail vehicle project enters into the preliminary design phase, staff have completed a Stakeholder Consultation Plan. The Plan identifies internal stakeholders, and external groups including the Advisory Committee on Accessible Transportation (ACAT) and the general public.

DISCUSSION

The Commission will be updated on the public consultation process.
