October 20, 2013

Dear Mr. Rodo:

Re: Request for deferral

I've received staff report on Requests for Fares Discounts. Although I totally understand staff position, I would like to make a deputation on this as a private citizen and NOT a ACAT member. Given the short notice, I hope that the Board will table this report to its November meeting. I'll try to write up my deputation in the next couple of days.

Sam Savona
