Subject: Extension of Redlea Avenue / TTC Bus Garage on McNicoll Avenue

Please note that you have a report on the progress of the Bus Garage on McNicoll Avenue. What you have not been told is that I am only in favour of it if the traffic congestion which exists at McNicoll Avenue and Kennedy Road is remedied.

Part of that remedy is to extend Redlea Avenue from Steeles Avenue to Finch Avenue. This road has been on the books for over 30 years. It is needed now and the TTC should nudge the City to complete this road in order for the bus garage to work better, otherwise the new start up objection to the project by local residents will gain more strength with the lack of dealing with this congestion.

Yours truly,
