Subject: RE: The submission to TTC

Lito,

You have my authorization to share my note with the Board and your Team.

The Heathwood Community has lived in harmony with large industrial companies for more than 30 years.

These companies include D Crupi Asphalt Plant, Anchor Shoring, Enbridge Maintenance Facility to name a few.

Over the years, these companies were great neighbours and we expect TTC to be similar.

Denis

**PRESENTED TO
THE BOARD**
