

At its meeting on June 24, 2014 the TTC Board adopted the following:

It is recommended that the Board forward this report to Metrolinx, and Councillors Di Giorgio, Colle, Palacio, Mihevc, Stintz, Matlow, Parker, Robinson, Minnan-Wong, Thompson and Berardinetti, noting that changes to TTC services are being made wherever possible to offset the effects of construction of Metrolinx's Eglinton-Crosstown LRT line.
