Dear Chair ~~Augimeri~~, Commissioners, and TTC Staff:

It is with mixed emotions that I write to you that I will no longer be a member of the Commission.

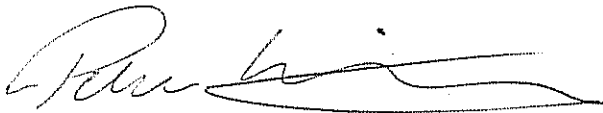

I have had the honour and privilege to serve on the Commission for close to eight years. During that time I have observed many changes and I am pleased that now in 2014 I can leave the Commission knowing that it is stronger, more flexible, and better prepared for the future than ever before.

The Commission can look forward to many years of growth, expansion, and modernization comfortable in the knowledge that both the public and elected officials understand the critical role that public transit will play in the economic and environmental sustainability of the City of Toronto and GTA and will continue to support the TTC.

In my new role I will continue to be an advocate for investment in transit and infrastructure in our city, region, and province.

I was able to learn so much from all of you for which I am very grateful. I look forward to continuing to work with you in the years to come.

Collegially yours,

Peter Milczyn
