

The Board at its meeting of Wednesday, May 28, 2014 adopted the recommendation in the staff report, as follows:

“It is recommended that the TTC Board:

1. Receive the attached report from the Auditor General’s Office, City of Toronto, on the results of follow-up of previous audit recommendations in the audit report entitled “Review of Wheel-Trans Services – Sustaining Level and Quality of Service Requires Changes to the Program”; and
2. Approve the forwarding of the attached report for information to the Audit Committee of the City of Toronto”.
