Decision: TTC Corporate Policy Update – Video Recording in Public Areas

Meeting Date: November 23, 2015

The Board approved the recommendation in the staff report, with the following amendment:

That the words “a maximum” be removed from the recommendation in the staff report so such recommendation now reads as follows:

“It is recommended that the Board:

1. Approve amending TTC Corporate Policy 3.3.1 – Video Recording in Public Areas (Sections 5.1.1 and 7.6.1) to change the current retention period for video images on buses and streetcars (excluding Wheel-Trans vehicles) from 15 operational hours to 72 hours”.
