

At its September 28, 2015 meeting the Board opted to forego the staff presentation on this item and approved the following motions:

1. That the staff report be amended by adding the following as Part 4 to the Recommendation:
 - “4. Confirm the principle that the TTC shall remain whole and/or not experience any additional financial burden as a result of any regional fare integration proposals”.
2. That the staff report be amended by adding the following as Part 5 to the Recommendation:
 - “5. That the Province provides the same level of operating subsidy for riders crossing the City of Toronto boundary on local transit systems that they provide for GO riders crossing that boundary”.

The item was adopted, as amended.
