Decision: Transit Fare Equity: Fair Pass Program

At its meeting of December 20, 2016, the Board

1. Endorsed the creation of a cost recovery arrangement between the City and the TTC whereby the TTC invoices the applicable City department on a quarterly basis for revenue losses that are sustained as a result of the Fair Pass Program;
2. Approved the addition of a low-income concession provided through the Fair Pass Program that includes a discount on the PRESTO adult single fare and PRESTO adult monthly pass; and
3. Directed staff to continue working in partnership with the City to ensure the successful implementation of each phase of the Fair Pass Program.
