Decision: New Business: Strategies to Alleviate Ridership Pressures on Line One

At its meeting on June 15, 2017, the Board approved the following member motion, as amended:

1. Request staff to report on strategies to alleviate pressure on the Yonge-University Line, and the over-burdened parts of Line 2 from Coxwell Station to St. George, and Yonge-Bloor Station itself, while the Downtown Relief Line is being planned and built.
