Decision: Changes to TTC Bus Routes for Renforth Gateway Station

At its meeting of May 18, 2017, the Board approved the recommendations in the staff report, as follows:

It is recommended that the TTC Board:

1. Approve the implementation of the bus route changes detailed in this report, effective as soon as Renforth Gateway Station is available for use (currently anticipated as September 3, 2017);
2. Forward this report to Transportation Services and the affected City Councillors.
