Decision: Waterfront Transit Update

At its meeting of November 13, 2017, the Board approved the recommendations in the staff report, as follows:

It is recommended that the TTC Board:

1. Direct TTC staff to report back to the Board upon completion of the 30% design of the exclusive TTC transit right-of-way extension between the Exhibition Loop and the Dufferin Gate Loop; on the next steps for design and construction, and associated financial implications.
