

Decision: Power Connection at Wilson Yard

At its meeting of November 13, 2017, the Board approved the recommendations in the staff report, as follows:

It is recommended that the TTC Board:

1. Authorize staff to execute the Offer to Connect Agreement with Toronto Hydro to supply and install the secondary hydro feed works for Wilson Yard traction power substation, at a cost of \$8,700,000, on terms and conditions satisfactory to TTC General Counsel.
