

Decision: Fleet Life Extension – Line 3 Scarborough

At its meeting on May 8, 2018, the TTC Board adopted the recommendations in the staff report as follows:

It is recommended that:

1. The Board authorize an amendment to the Bombardier Transportation Contract XL5004 “Repair and Replacement of SRT Carbody”, by \$5,303,979.88 (Incl. HST) to complete reconditioning of the fleet’s 58 trucks, bringing the overall contract price to \$13,942,448.33. This will also extend the contract expiry date to December 31, 2020 on the basis of an amendment to TTC PO C31PA16912 (OEM Bombardier Transportation contract XL5004) of which:
 - a. \$3,566,023.49 is set as base repair costs including the machining, welding, and mechanical repair of the truck components by the OEM approved vendor;
 - b. \$482,393.05 is set as condition dependent repair costs by OEM vendor;
 - c. \$1,255,563.34 is set for component evaluation, project oversight, repair inspection, quality control, and non-labour OEM items, (i.e. freight, travel, supplies, insurance).
