

## Notice of Motion

### Wheel Flats & Noise Issues on Line 2

**Moved by:** Commissioner Brad Bradford

**Seconded by:** Commissioner Shelley Carroll

#### **Recommendation**

---

1. Request TTC staff report back to the May 8, 2019 TTC Board Meeting on noise complaints and repair/replacement processes related to wheel flats on Line 2, further to and/or including the ongoing investigation being conducted by the National Research Council of Canada (NRC) and TTC in partnership:
  - a. Include counts on wheel turnover and timelines for repairs vs. replacement for wheel flats
  - b. Include decibel readings on noise from wheel flats
  - c. Root causes of the noise, including aspects of the subway vehicle braking system
