Total Overall Upset Limit (Rounded) : \$ 147,000,000

3. Authorize amendments to increase the total upset limits of the four current Accessible Taxi Distance-Based Service Contracts in the amount of \$5,500,000 inclusive of all applicable taxes, increasing the total upset limit from \$216,000,000 to \$221,500,000 to allow for the transition start of new service contracts.
4. Authorize amendments to increase the upset limits of the two current Sedan Meter-Based Taxi Service Contracts in the amount of \$7,000,000 inclusive of all applicable taxes, increasing the total upset limit from \$147,000,000 to \$154,000,000 to allow for the transition start of new service contracts; and
5. Delegate authority to the Chief Executive Officer to allocate approved funds to the current Accessible Taxi Distance-Based and Sedan Meter-Based Taxi Service Contractors.

Advice and Other Information

The TTC Board also adopted the following Member motions:

1. That the TTC Board direct TTC staff, in consultation with the Advisory Committee on Accessible Transit (ACAT) and the City of Toronto's Municipal Licensing and Standards Division, to conduct a jurisdictional scan of how other transit agencies deliver paratransit service, with a specific focus on the integration of new mobility technologies and services, for consideration in the development of future procurements related to Wheel-Trans services.
2. That the Board request staff to report back in Q2 2024 regarding the process for the next award of service contracts for the Accessible Taxi Service and for the Sedan Meter-Based Taxi Service.
