PRESTO Annual Update

Date: September 24, 2020

To: TTC Board

From: Chief Strategy and Customer Officer

Reason for Confidential Information

This report is about litigation or potential litigation, including matters before administrative tribunals.

This report contains information relating to a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by the TTC.

This report contains information that is subject to solicitor-client privilege.

Summary

This placeholder report is to advise that the Chief Strategy and Customer Officer will be bringing forward a report to the September 24, 2020 TTC Board meeting.

The purpose of this report is to provide an update on the achievements since the last report in June 2019; to describe the satisfactory progress on the negotiations with Metrolinx on further improvements to the PRESTO system; and to outline how to achieve the remaining key milestones and how to reset the TTC's ongoing relationship with PRESTO.
