Osgoode Interlocking Incident Report

Date: June 16, 2021
To: TTC Board
From: Chief Executive Officer

Reason for Confidential Information

This report is about labour relations or employee negotiations.

This report is about litigation or potential litigation, including matters before administrative tribunals.

Summary

On June 12, 2020, there was an operational incident near Osgoode Station.

This report provides the initial findings from the investigation into the incident.

Recommendations

It is recommended that the TTC Board:

1. Receive the confidential attachment and staff presentation.
2. Authorize that the information contained in the confidential attachment remain confidential until such time as the litigation matters have concluded.

Financial Summary

There are no financial impacts associated with this report. Any financial impacts identified through the investigation into this incident will be included in future reports to the TTC Board.

The Interim Chief Financial Officer has reviewed this report and agrees with the financial summary information.

Equity/Accessibility Matters

There are no equity or accessibility impacts associated with this report.

Comments

The details of the incident and corrective actions are included in the confidential attachment.
