

Advancing the 5-Year Fare Policy

TTC Board Decision

The TTC Board, at its meeting on February 10, 2022, adopted the following:

It is recommended that the TTC Board:

1. Continue to support the TTC's existing fare structure, which includes the flat fare, free two-hour transfer across all modes and the Fair Pass and age-based discounts as the hallmarks of the TTC's fare policy;
2. Refer recommendation 2 back to staff for further due diligence and detailed financial analysis to inform the final fare policy recommendations that will be presented to the Board for approval.

Recommendation 2: Endorse in principle the opportunities related to fare capping and aligning concessions across Fair Pass, Seniors and Youth as detailed in the Comments section of this report to inform the final fare policy recommendations that will be presented to the Board for approval in May 2022; and

3. Direct staff to forward a copy of this report to the Ministry of Transportation to restart discussions on reintroducing the Discount Double Fare (DDF), the TTC-GO Transit co-fare to offset Line 3 closures.
