

Notice of Motion – Implementing a “Baby on Board” Badge Program – by Commissioner Stephen Holyday, seconded by Chair Jamaal Myers

TTC Board Decision

The TTC Board on October 29, 2024, adopted the following:

That the TTC Board request staff to:

1. Investigate the feasibility of implementing a “Baby on Board” badge program similar to the one from Transport for London and seek any approvals necessary to implement it.
2. Review its communication materials, including the website, and update information available for pregnant women and customers with small children, based on best practices found in other jurisdictions.
