

# **Automated Streetcar Enforcement System**

## **TTC Board Decision**

---

The TTC Board on October 29, 2024, adopted the following:

That the TTC Board:

1. Receive this report for information.
2. Authorize that the information in the Confidential Attachment to remain confidential until such time as the Automated Streetcar Enforcement System (ASES) Pilot contract is awarded.
3. Request the Province of Ontario to significantly increase the penalties (fines and demerit points) associated with section 166(1) of the Highway Traffic Act relating to the improper passing of streetcars while the streetcars are stationary for the purpose of picking up or dropping off passengers due to the seriousness of the offence.
