### Key 2025 Challenges and Risks

#### **Customer Experience and Satisfaction:**

Ensuring exceptional customer experience is vital for retaining current riders and attracting new ones to the TTC

#### Aging Assets and SOGR Backlog:

Aging infrastructure and vehicles threaten reliability, increase disruptions and contribute to the SOGR backlog

#### Workforce Challenges:

Overcoming recruitment, retention, and worker safety challenges is key to maintaining operational stability in transit services

#### Affordability and Funding Availability:

Addressing financial sustainability and capital funding challenges is crucial for effective long-term planning and service delivery

### 2025 Budget Guided by Board and Corporate Priorities

#### **Our Vision:**

 Moving Toronto towards a more equitable, sustainable and prosperous future.

#### **Our Mission:**

 To serve the needs of transit riders by providing a safe, reliable, efficient and accessible mass public transit service through a seamless integrated network to create access to opportunity for everyone.

#### **Our Values:**

Safety, Service and Courtesy.

#### **Key Principles:**

- Safety and Security as a Cornerstone
- Equity, Diversity, Inclusion, and Accessibility
- Environmental Sustainability
- Innovation

### Advancing TTC's Corporate Plan: 2025 Priority Actions

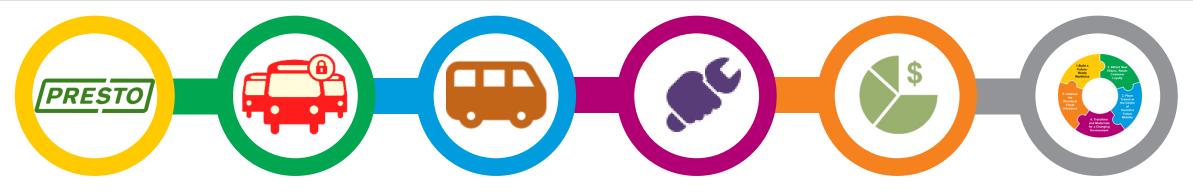

| <b>1</b> Build a Future Ready<br>Workforce  | Attract New Riders,<br>Retain Customer<br>Loyalty  | <b>3</b> Place Transit at the<br>Centre of Toronto's<br>Future Mobility  | <b>4</b> Transform and<br>Modernize for a<br>Changing Environment   | <b>5</b> Address the<br>Structural Fiscal<br>Imbalance  |

| <ul> <li>Reduce costs and<br/>environmental impact of office<br/>space through ModernTO<br/>initiatives</li> <li>Modernize tools and<br/>technologies available to<br/>employees</li> </ul>   | <ul> <li>Safety and customer<br/>experience enhancements<br/>through Stations<br/>Transformation Program</li> <li>Preserve Line 2 Subway<br/>Reliability</li> <li>Mature TTC Enterprise Asset<br/>Management capabilities</li> <li>Advance RapidTO priority<br/>corridors</li> </ul>   | <ul> <li>Build network capacity to support long-term growth (Lines 1 &amp; 2, and BYCI capacity enhancement programs)</li> <li>Minimize environmental impacts through the Green Fleet Program (eBus and Charging Systems)</li> <li>Integrate the Toronto Green Standard into new asset plannin and design</li> </ul> | <ul> <li>Sustainability Strategy (ISS)</li> <li>Modernize business<br/>functions through the rollout<br/>of enterprise SAP system</li> <li>Advance the new service<br/>planning and scheduling<br/>systems</li> </ul> | <ul> <li>Drive continuous improvement<br/>in capital delivery by<br/>maximizing capital work<br/>achieved during system<br/>closures</li> <li>Update long range demand<br/>model to 2051 planning<br/>horizon and refine the long-<br/>term Capital Investment Plan</li> </ul>  |

# 2025OperatingBudget

### **2025 Operating Budget Highlights**

Protects Affordability, Enhances Reliable Service, Advances Corporate Priorities

#### **Freezes**

fares for a second year in a row, maintaining affordability for TTC riders

#### Adds

5.8% in service hours to adjust for congestion and growth; improve reliability and operate Lines 5 and 6

#### Increases

Wheel Trans service, to deliver an estimated 4 million rides in 2025

#### Invests

in maintenance and asset management capacity to support service reliability

#### Captures

\$37.2 million in Efficiency Measures; continues \$15.0 million in multiyear balancing strategy

#### Funds

\$15.2 million to advance Corporate Plan Priority Actions

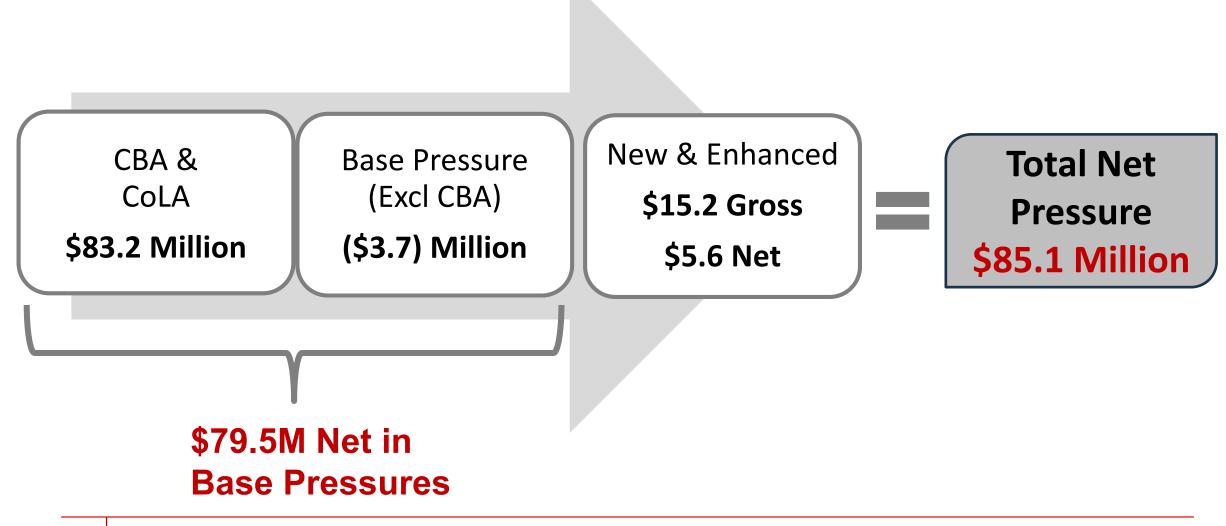

### 2025 Operating Budget - \$2.8 Billion

#### Where the Money Comes From: Where the Money Goes: **By Funding Source By Service** City Passenger Funding, Revenue, 49% 38% TTC \$2.8 \$2.8 Wheel-Trans Conventional Service, 6% Service, 94% Billion **Billion** Ancillary Revenue, 4% **Provincial** Funding - New Reserves, 2% **Deal**, 7%

### **Total Net Expenditure Increases by \$85.1 Million**

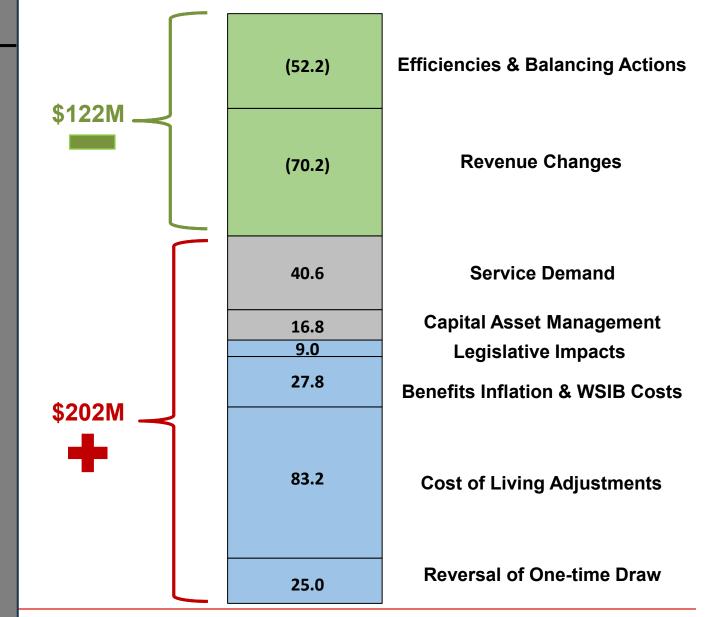

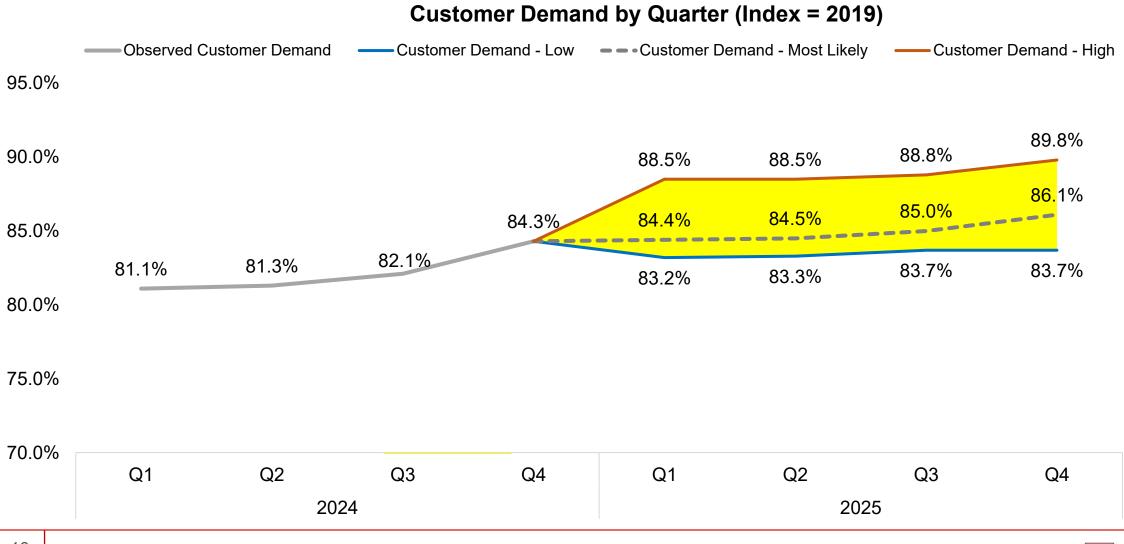

### 2025 Key Cost Drivers

Total **\$201.9 million,** driven by collective bargaining results, fixed operating costs and maintaining service reliability

Reduced to **\$79.5 million** by **\$70.2 million** in revenue changes and **\$52.2 million** in affordability measures

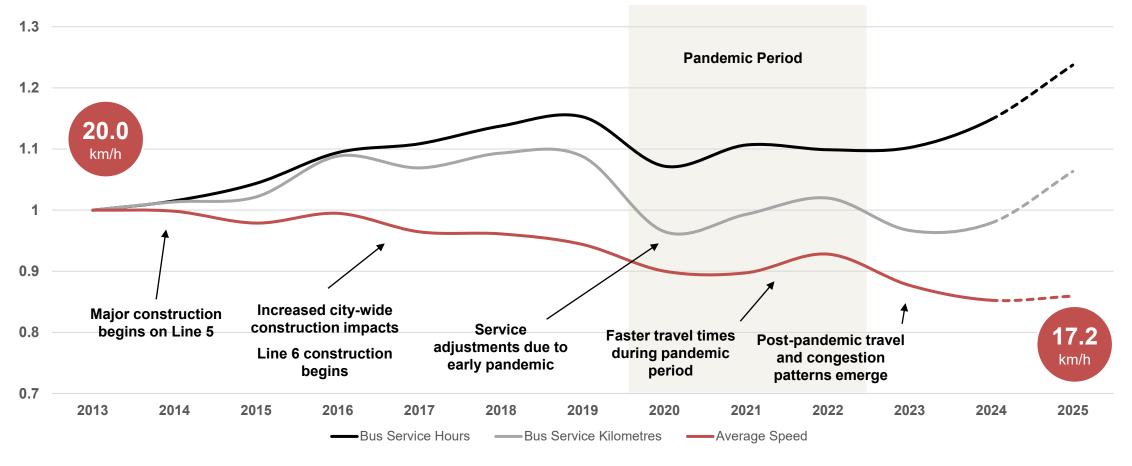

### **Customer Demand Drives the Service Budget**

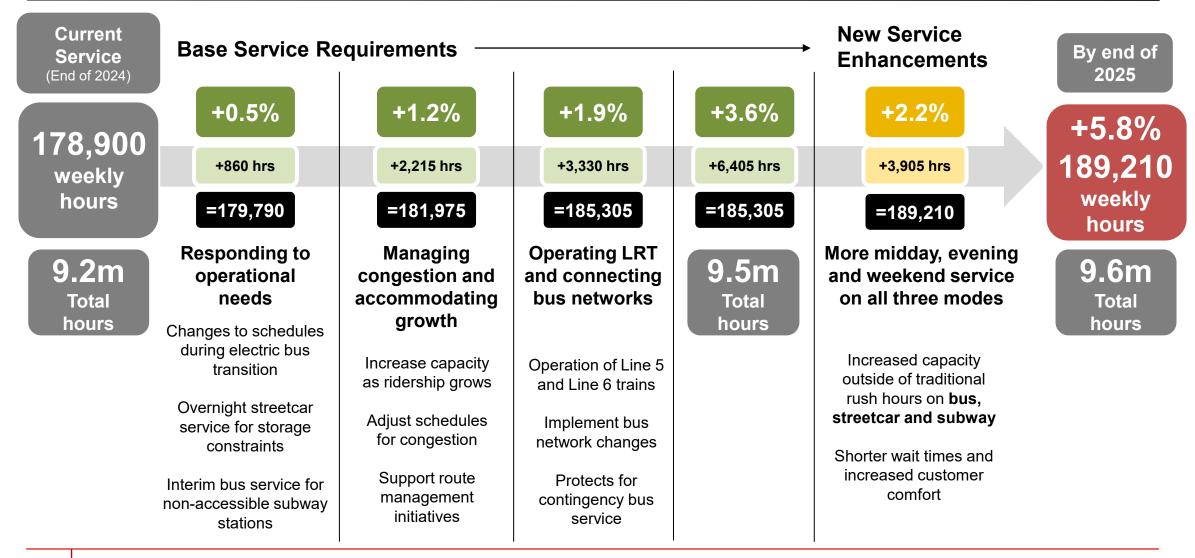

### Congestion has slowed bus service across the city

Scheduled Regular Bus Service Hours, Kilometres, and Average Speed (2013-2025) (indexed to 2013 = 1.0)

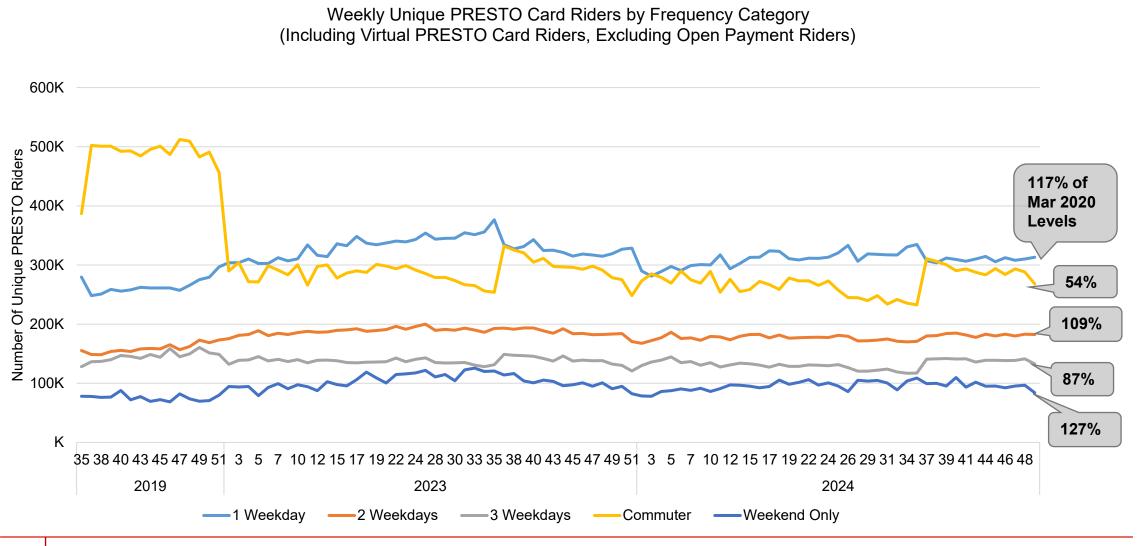

### **Customer Demand & Service Reliability Drive 2025 Service Hours**

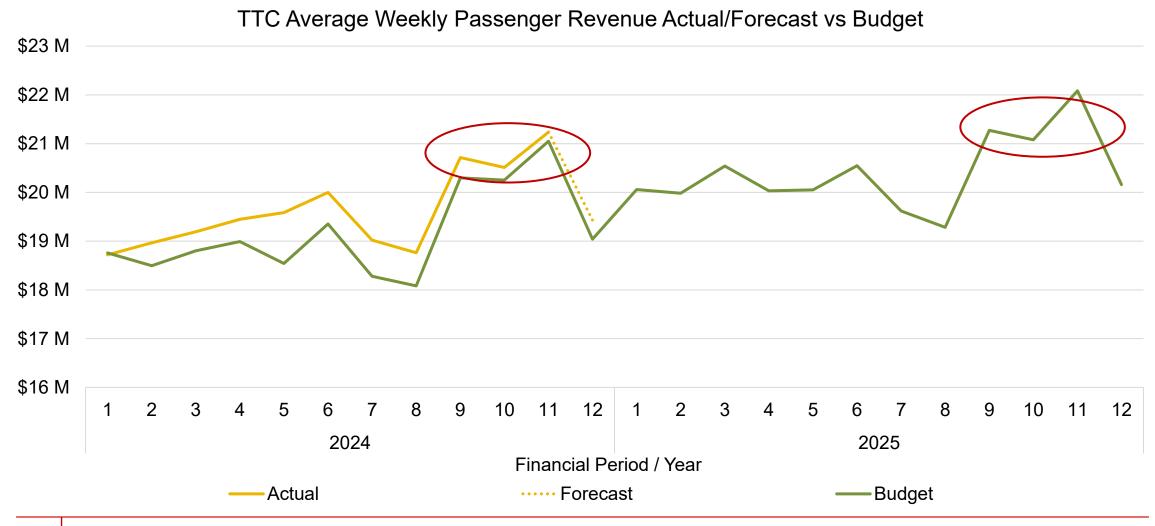

### Hybrid Work Model Fully Integrated into Ridership Patterns

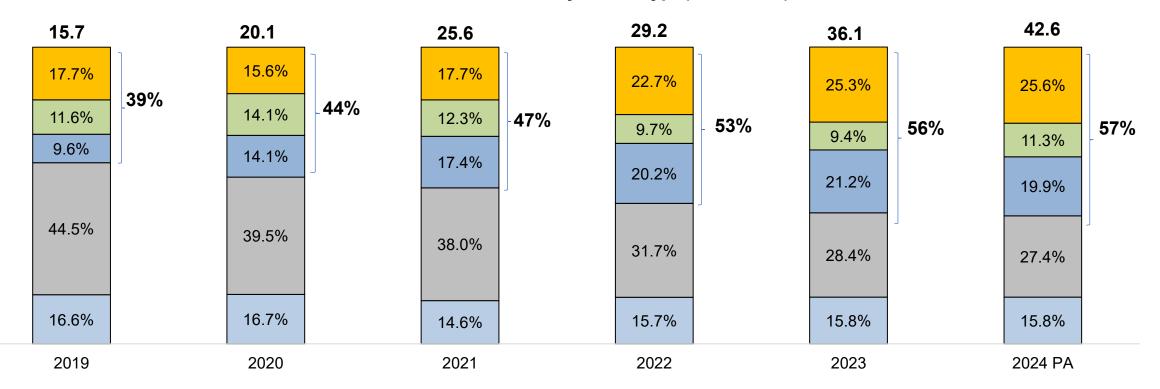

### **Emerging Travel Patterns Impacting Revenue**

### Funding Treatment Mitigates Rising WSIB Costs in 2025

WSIB Cash Cost Break-down by Claim Type(in Millions)

□ Admin □ Physical & Others □ Assualt □ Traumatic Stress & PTSD □ Expsoure to Traumatic / Stressful Event

### Affordability Measures Reduce Pressure by \$52.2M

 \$37.2 million in savings from affordability measures with no impact to service.

 \$232 million cumulative savings since 2019

 \$15.0 million one-time funding strategy

### Advancing our Corporate Plan Priorities (\$15.2M Gross, \$5.6 Net)

### Improving Service and Customer Experience in 2025

5-minute or better service at all times

4 **Restoration of** 6-minute service

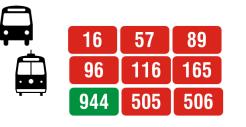

**Opening of Line 5 and** Line 6 and connecting bus networks

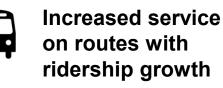

**Enhanced Station Cleanliness Pilot** 

Continued schedule adjustments for congestion

6-minute or better service every day 7 a.m. to 7 p.m.

### **Changes to Unfunded Capital Needs**

#### \$5.1B Funded:

- 55 replacement Line 2 subway trains (+\$1.5B)
- Approx 700 eBuses and 950 Charging systems (+\$1.2B matching)
- Major fleet overhauls (+\$557M)
- Design and construct major control center (+\$467M)
  - Critical subway infrastructure SOGR (+\$368M)

#### 2025-2039 CIP: Total Unfunded Needs

#### **Unfunded Additions:**

- Accelerated surface track replacement program (+467M)
- Equipment SOGR (Subway Pumps, Elevator/Escalators, & Bus Hoists - \$888M)
- Addition of NetZero requirements for facilities (+\$1.49B)
- TransformTO for streetcar and refinements for bus (+\$1.09B)

Key Changes

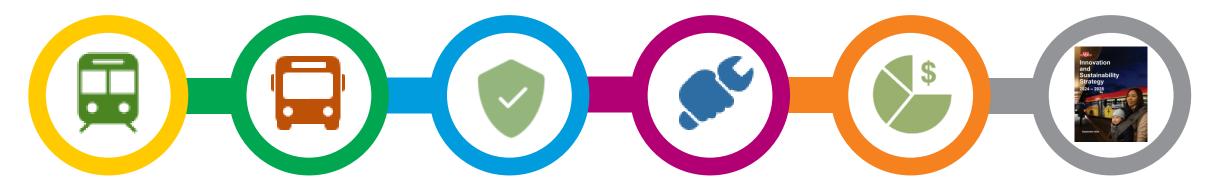

# 2025-2034

# Capital Budget and Plan

### 2025-2034 Capital Budget & Plan Highlights

\$5.1 billion in new funding reduces the TTC's SOGR backlog by almost 50% in 2034

#### **Matches**

\$1.5 billion with Federal and Provincial funding for 55 replacement subway trains on Line 2

#### **Provides**

\$1.2 billion as City's share for approximately 700 eBuses and 950 charging systems

#### Delivers

critical fleet overhaul programs with \$500 million reallocated from Gardiner/DVP funding

#### Increases

Funding for critical subway systems and infrastructure by \$368 million

#### Funds

the Major Control Centre with \$467 million

#### **Advances**

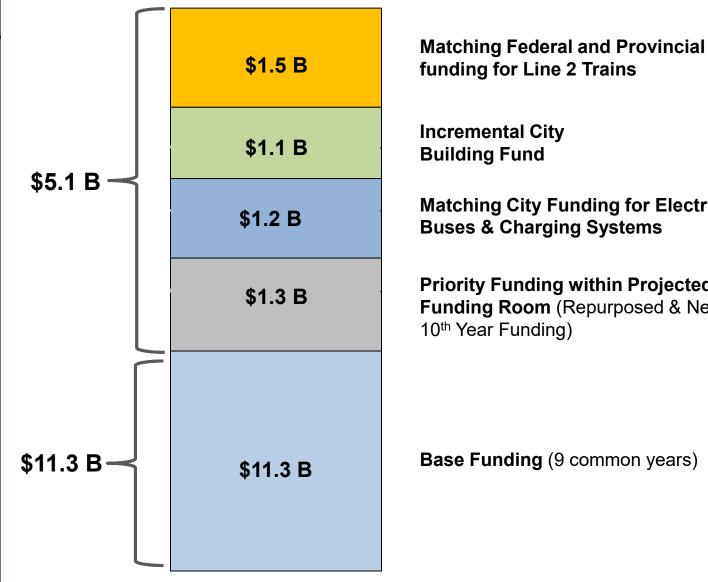

the TTC Innovation and Sustainability Strategy with over \$67 million

#### **All Orders of Government Increase Funding**

The 2025-2034 Capital Budget and Plan is \$16.4 Billion.

This includes **\$11.3 Billion** in base funding and **\$5.1 Billion** in repurposed and new funding

funding for Line 2 Trains **Incremental City Building Fund Matching City Funding for Electric Buses & Charging Systems Priority Funding within Projected** Funding Room (Repurposed & New 10<sup>th</sup> Year Funding)

**Base Funding** (9 common years)

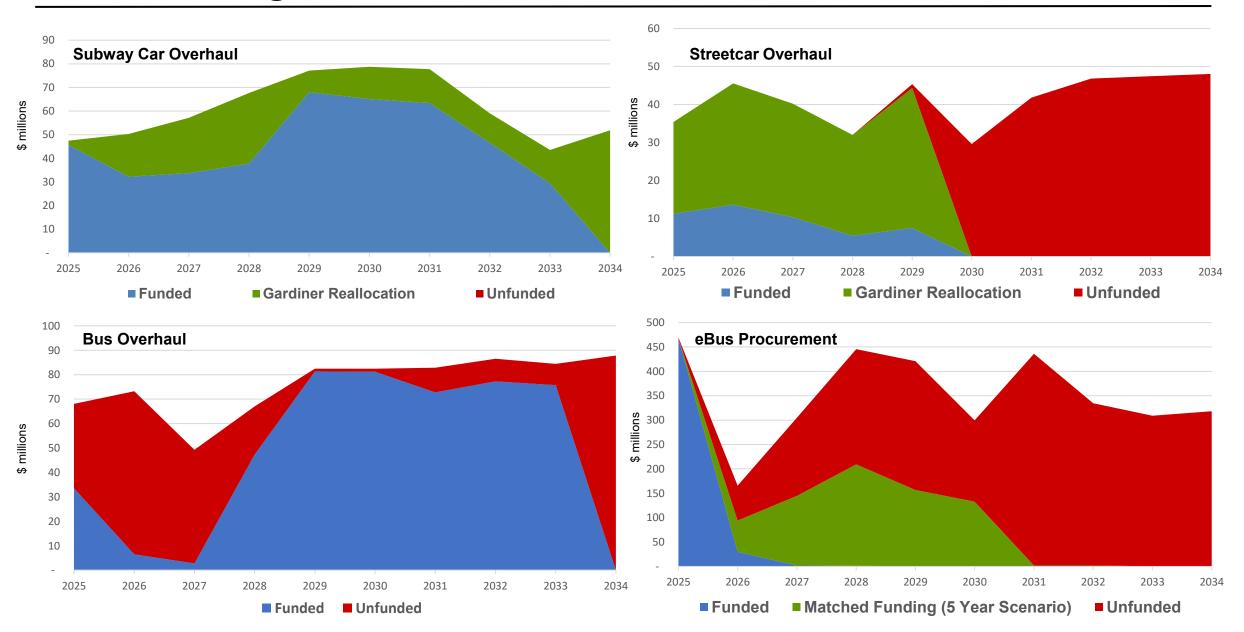

### Significant Progress Made on Funding Immediate SOGR Funding Priorities
