

STAFF REPORT ACTION REQUIRED

Draft Consolidated Financial Statements of Toronto Coach Terminal Inc. for the year ended December 31, 2015

Date:	May 31, 2016
To:	Toronto Coach Terminal Inc. Audit Committee
From:	Chief Executive Officer

Summary

The Toronto Coach Terminal Inc.'s (TCTI) consolidated financial statements present TCTI's 2015 financial results and financial position as of December 31, 2015.

Recommendations

It is recommended that the Audit Committee

1. Approve the draft consolidated financial statements of Toronto Coach Terminal Inc. for the Year Ended December 31, 2015; and
2. Approve the forwarding of the consolidated financial statements to the Meeting of Directors of TCTI on May 31, 2016 for formal approval; and to the City Manager, as requested by the City Council at its meeting held on May 8, 2012¹.

Financial Summary

The recommendations in this report have no funding implications.

Accessibility/Equity Matters

This report and its recommendations have no accessibility/equity issues or impact.

Decision History

The mandate of the TCTI Audit Committee includes a requirement to review financial statements intended for circulation amongst the shareholders.

¹ See Item 1 at:

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2012.EX19.13>

Issue Background

The consolidated financial statements include the results of TCTI's subsidiary, Toronto Transit Commission Insurance Company Ltd. (TTCIC) and are unaudited. As TCTI's new business model significantly reduced the number and variety of financial transactions, at the annual meeting of shareholders held June 24, 2013², the Board and the Chair, on behalf of the TTC (as shareholder), first approved discontinuing the audit of TCTI, effective January 1, 2013. This approval was also obtained for fiscal years 2014³ and 2015⁴. The financial statements of the subsidiary, TTCIC, were and will continue to be audited.

Comments

TCTI generated a net profit of \$0.4 million, which has reduced its accumulated deficit from \$3.5 million to \$3.1 million.

TORONTO COACH TERMINAL INC.

Notes to the Consolidated Financial Statements (Unaudited)

Year ended December 31, 2015

1. NATURE OF OPERATIONS

Toronto Coach Terminal Inc. (the "Company") was incorporated in Ontario by Letters Patent dated June 28, 1927. The Company is wholly owned by the Toronto Transit Commission (the "TTC"). The Company owns and, up until July 7, 2012, directly operated a coach terminal located in the City of Toronto (the "City"). Effective July 8, 2012, the Company entered into a lease agreement with Greyhound and Coach Canada Toronto Operations Ltd. (GACCTO) for the use of the entire coach terminal including the retail space, lockers, and parking facilities. The coach terminal is now operated by GACCTO.

The Company wholly owns the TTC Insurance Company Ltd. ("Insurance Co."). The Insurance Company was incorporated on March 9, 1994 under the Ontario Corporations Act and provides insurance coverage for compulsory automobile personal injury and accident benefit claims for the TTC.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of presentation

These financial statements are prepared by the Toronto Coach Terminal Inc. in accordance with the Public Sector Accounting Handbook. In 2011, the Company elected to early adopt PS 3450 Financial Instruments. In accordance with PS 1150 Generally Accepted Accounting Principles, and in the absence of specific guidance under PSAS, the guidance from IFRS 4, Insurance Contracts, was used for the measurement and presentation of insurance liabilities. Since the company holds all investments in the form of cash and cash equivalents, a Statement of Remeasurement Gains and Losses has not been presented.

(b) Basis of consolidation

The consolidated financial statements include the financial results of the Company's subsidiary, TTC Insurance Company Limited.

(c) Measurement uncertainty

The preparation of the consolidated financial statements in conformity with Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Specifically, the recognized amounts of insurance liabilities are based on the Company's best information and judgment. These estimates and other judgments are continuously evaluated based on management's experience and expectations about future events. Any variation in the ultimate insurance liability incurred will be offset by a corresponding change in the indemnity receivable and recognized in the current period. In addition, depreciation expense is based on the asset lives described in note 2e.

(d) Cash and cash equivalents

Cash and cash equivalents consist of funds on deposit with a chartered bank.

(e) Tangible capital assets and depreciation

Capital assets are recorded at cost less accumulated depreciation. Depreciation is calculated using the straight-line method at rates based on the estimated useful lives of the assets, which has been estimated at 30 years for the Buildings.

TORONTO COACH TERMINAL INC.

Notes to the Consolidated Financial Statements (Unaudited)

Year ended December 31, 2015

(f) Lease revenue

The Company earns lease revenue for the use of the entire coach terminal including the retail space, lockers and parking facilities.

(g) Miscellaneous revenue

Miscellaneous Revenue is comprised mainly of bank interest and 2014 includes an insurance-related recovery related to a pre-1990 event.

(h) Insurance liabilities

Insurance liabilities reflect an actuarial assessment of the automobile claims liability on the basis mandated by the Financial Services Commission of Ontario. When a claim is reported, a case reserve is established by adjusters and lawyers employed by the TTC. The liability includes an actuarially estimated provision for claims incurred but not yet reported and internal and external adjustment expenses. Claims provisions are first discounted to reflect the time value of money and provisions for adverse deviations are added in accordance with accepted actuarial practice and the requirements of the Financial Services Commission of Ontario.

3. TANGIBLE CAPITAL ASSETS

The cost of tangible capital assets is as follows:

(in \$000s)

	Beginning	Cost Dec 31, 2015		Ending
		Additions	Disposals	
Land	886	-	-	886
Buildings	15,114	-	-	15,114
Total	16,000	-	-	16,000

(in \$000s)

	Beginning	Cost Dec 31, 2014		Ending
		Additions	Disposals	
Land	886	-	-	886
Buildings	15,114	-	-	15,114
Total	16,000	-	-	16,000

The accumulated amortization for tangible capital assets is as follows:

(in \$000s)

	Accumulated Amortization Dec 31, 2015			Ending
	Beginning	Depreciation	Disposals	
Land	-	-	-	-
Buildings	12,155	558	-	12,713
Total	12,155	558	-	12,713

(in \$000s)

	Accumulated Amortization Dec 31, 2014			Ending
	Beginning	Depreciation	Disposals	
Land	-	-	-	-
Buildings	11,598	557	-	12,155
Total	11,598	557	-	12,155

TORONTO COACH TERMINAL INC.

Notes to the Consolidated Financial Statements (Unaudited)

Year ended December 31, 2015

Based on above, net book value is as follows:

(in \$000s)	Net Book Value Dec 31, 2015	Net Book Value Dec 31, 2014
Land	886	886
Buildings	2,401	2,959
Total	3,287	3,845

4. LOAN PAYABLE TO TTC

The loan payable to TTC consists of the following:

(in \$000s)	Dec 31, 2015	Dec 31, 2014
Accrued interest	5,875	6,638
Demand loan, at prime	2,641	3,106
Total loan payable	8,516	9,744

Interest expense on the demand loan, at the prime rate of 2.79%, amounted to \$272,000 (2014 - \$328,000).

5. BUDGET DATA

Budget data presented in these consolidated financial statements is based upon the 2015 operating budget approved by the Board of Directors of the Toronto Coach Terminal Inc.

6. SEGMENT DISCLOSURES AND EXPENDITURES BY OBJECT

- (a) The following tables provide a breakdown of the consolidated statement of financial position, based upon the two segments of the Company, the Coach Terminal ("TCTI") and the Insurance Company ("TTCIC"). The figures exclude TCTI's investment of \$100,000 (2014 - \$100,000) in TTCIC and TCTI's advance to TTCIC of \$2.8 million (2014 - \$3.3 million), as they are eliminated upon consolidation.

(in \$000s)	Dec 31, 2015	TCTI	TTCIC	Total

7. FINANCIAL INSTRUMENTS

The main categories of financial instruments held by the Company include cash and cash equivalents, indemnity receivable from the TTC, advances from parent and insurance liabilities.

The indemnity receivable from the TTC corresponds with the insurance liabilities. This receivable arose from the indemnity agreement described in note 10(c). The payment of this receivable by the TTC is also covered by a separate guarantee agreement issued by the City. The Company considers the carrying value of the indemnity receivable to be approximately equivalent to their fair value. The maturity of the Indemnity Receivable from the TTC is directly linked to the maturity of the Company's insurance liabilities, resulting in the Company having negligible liquidity and interest risk. The Company has low credit risk due to the guarantee agreement between the City and the Company and does not face market risk, or currency risk.

The carrying value of the loan payable approximates its fair value as interest is accrued at the prime rate and compounded annually. The carrying values of accounts receivable and cash and cash equivalents approximate their fair values. The credit risks on these are considered negligible as they are readily convertible to cash on short notice. The company's accounts payable and accrued liabilities are all due for payment within 12 months of the consolidated balance sheet dates and approximate their fair value. The liquidity risk on accounts payable and accrued liabilities is managed through maintaining sufficient cash and cash equivalents.

8. CASH AND CASH EQUIVALENTS

Pursuant to the guarantee agreement with the City described in note 10(d), the Insurance Co. is required to maintain cash or securities available for payment of current liabilities equal to the greater of \$350,000 or one month's claims and operating expenses (all self-insured retention payments are processed through the TTC). The cash and cash equivalents amount restricted for this purpose at December 31, 2015 is approximately \$2,600,000 (2014 - \$2,100,000).

TORONTO COACH TERMINAL INC.

Notes to the Consolidated Financial Statements (Unaudited)

Year ended December 31, 2015

9. CAPITAL STOCK

The capital stock includes 10,000 common shares with a par value of \$100 each.

10. LICENCE AND INDEMNITY RECEIVABLE

Insurance Co. received a license on July 12, 1994 from the Ontario Insurance Commission, now incorporated into the Financial Services Commission of Ontario, in order to transact the business of automobile insurance in the Province of Ontario. Insurance Co. initiated such transactions on July 30, 1994. By Provincial Order in Council dated July 6, 1994, Insurance Co. was granted the said license subject to the following conditions:

- (a) Insurance Co. maintain, in aggregate, a paid-up capital and unimpaired surplus of not less than \$100,000;
- (b) Insurance Co. limit exclusively its underwriting to the automobile insurance risks of the TTC under the Compulsory Automobile Insurance Act or any successor thereto;
- (c) the indemnity agreement between the TTC and Insurance Co., whereby Insurance Co. is to be reimbursed by the TTC for all current and future costs and expenditures including all claims under the policies, continue and be in full force and effect; and
- (d) the complete and full guarantee of the TTC's liabilities and obligations under the indemnity agreement which Insurance Co. has received from the City remains in full force and effect.

As a result of the indemnity agreement and the City guarantee, Insurance Co. has negligible insurance risk, as any change in Insurance Co.'s insurance liabilities would be offset by a corresponding change in the balance of the indemnity receivable. For this reason, disclosures on specific insurance risks have not been made.

11. INSURANCE LIABILITIES

Insurance liabilities are established to reflect all liabilities associated with the insurance policies at the balance sheet date. The ultimate cost of these liabilities will vary from the best estimate made by management for a variety of reasons, including additional information with respect to the facts and circumstances of the claims incurred.

Case Reserves

Insurance liabilities are based on the case reserves set by claims adjusters for each individual claim. These specialists apply their knowledge and expertise, after taking available information regarding the circumstances of the claim into account, to set individual case reserve estimates. The Company bases such estimates on the facts available at the time the reserves are established.

Incurred But Not Reported

An incurred but not reported provision "IBNR" is then added to the case reserves as uncertainty exists on reported claims, because, for example, full information on case files may not be available at the valuation date, or losses have been incurred but are not yet reported. Therefore, the

TORONTO COACH TERMINAL INC.

Notes to the Consolidated Financial Statements (Unaudited)

Year ended December 31, 2015

Company relies upon historical information and statistic models, to estimate the IBNR liability. The Company also uses reported claims trends, claims severity, exposure growth and other factors in estimating its IBNR reserve. The time required to learn of and settle claims is an important consideration in establishing the Company's reserves. The Company revises these reserves as additional information becomes available.

Time Value of Money and Provision for Adverse Deviation

The provision is discounted to take into account the time value of money and a provision for adverse deviation "PFAD" is added, as recommended by standard actuarial practice. Assumptions regarding the anticipated timing of future payments and an appropriate discount rate are made by management. As uncertainty exists with respect to the determination of these discounted estimates, an explicit PFAD is made for potential claims development. A PFAD is selected based on guidance developed by the Canadian Institute of Actuaries.

The following table summarizes the effects of the time value of money and PFADs on the insurance liabilities and claims adjustment costs.

Unpaid claims and claims adjustment costs (\$000s):	Undiscounted	Time Value of Money	Discounted (before PFAD)	PFAD	Discounted
As at December 31, 2015	171,027	(4,912)	166,115	16,097	182,212
As at December 31, 2014	147,646	(5,959)	141,687	13,732	155,419

As at December 31, 2015, the interest rate used to determine the time value of money was 1.0% (December 31, 2014 – 1.4%) and reflected the market yield.

Based on the indemnity agreement described in note 10(c), there is no net impact on the Company as a result of changes in the amount of the insurance liability as any increase would be offset by an increase in the indemnity receivable.

12. RELATED PARTY TRANSACTIONS

The TTC provides all management and administrative services necessary to support the operations of the Insurance Co. Related party transactions are recorded at the exchange amount. The expense incurred for the year for these services was \$34,611 (2014 - \$43,161) and this has been reflected in the statement of operations and accumulated surplus.

The Company made a loan repayment of \$1,500,000 (2014 - \$1,500,000) to the TTC. The remaining loan balance and the interest accrued on the loan are detailed in note 4.

In addition, the Insurance Company repaid \$500,000 to the company during the period (2014 - \$nil), reducing the total advance as of December 31, 2015 to \$2,800,000 (2014 - \$3,300,000).
