Comments

Staff has identified the need to update the Company's By-Law No. 1 as it has come to our attention that Section 209 of the Corporations Act has been repealed. Staff will review and bring forward amendments to By-Law No. 1 for review and adoption of the amended By-Law No. 1 at its annual general meeting in June 2016. This review may result in eliminating the need to issue shares to the directors.
