## Decision History

---

At the annual general meeting held on June 24, 2013<sup>1</sup>, the Shareholder first approved the discontinuance of the external financial audit of TCTI effective January 1, 2013. Approval was obtained for fiscal year 2017<sup>2</sup>.

## Issue Background

---

Effective July 8, 2012, TCTI entered into a lease agreement with Greyhound and Coach Canada Toronto Operations Ltd. (GACCTO) for the use of the entire terminal including the retail space, lockers, and parking facilities. Since that date, the terminal has been solely staffed and operated by GACCTO.

The change to TCTI's operations has eliminated the need for an audit as the multiple revenue streams have been replaced with primarily one source of revenue, namely the lease. At the same time, most of TCTI's expenses have been eliminated except for depreciation (which is a non-cash expense) and interest expense payable to TTC.

The TCTI by-laws do not specify or require an audit of the annual financial statements and, according to Section 148 of the Business Corporations Act, a corporation is exempt from the audit requirements of the Act if the shareholders consent in writing to the exemption in respect of that year.

## Comments

---

There will be annual savings of approximately \$6K in 2018 from discontinuing the TCTI audit.

Staff will continue to prepare and report unaudited financial statements annually for TCTI and the external financial audit of TCTI's subsidiary, Toronto Transit Commission Insurance Company Limited, will continue.
